

The MacFarlane Leadership Scholarship

The MacFarlane Leadership Scholarship is a need-based scholarship, awarded to incoming ninth graders who demonstrate high academic achievement, leadership or leadership potential and/or have shown outstanding character. This Scholarship is reserved for students with demonstrated financial need to meet the cost of attendance, and whose potential may be supported by Chadwick's academic, social and leadership opportunities. Chadwick believes leadership takes many forms: elected or appointed leadership positions, and also ethical leadership, and informal leadership, such as showing initiative in teaching a group project or volunteer activity, or the ability to set an example, or involve or motivate others.

Ruth and Roger MacFarlane, who are the parents of Chadwick alumni Taryn '94, Alex '95, Katherine '05, and Jessica '07, established the MacFarlane Leadership Scholarship Fund in 2007 to fund the Scholarship in perpetuity. Ruth MacFarlane is a longtime member of the Roessler-Chadwick Foundation Board of Trustees, and Ruth and Roger co-chaired Chadwick's Annual Fund in 1996 and 1997.

Motivated by the MacFarlanes, an important additional gift of \$1.25 million from the Tambour Foundation has doubled the original gift made by the MacFarlane family to support the Leadership Scholarship Fund endowment. The additional funding is expected to double the number of MacFarlane Leadership Scholars attending Chadwick's Upper School, increasing the number of Scholars to eight by the 2017-18 academic year. This is an exciting opportunity both for our candidates and for Chadwick School. The first MacFarlane Leadership Scholars already graduated from Chadwick, and are currently thriving at their respective colleges.

The Malone Scholarship

Through a generous gift from the Malone Family Foundation in 2003, Chadwick School is pleased to offer the opportunity to apply for a Malone Scholarship. This scholarship is available to excellent students with demonstrated financial need who are applying to Chadwick for Grades 7 – 12. The goal of the Malone Scholarship is to provide an outstanding education to students who demonstrate exceptional intellectual ability and achievement. Students who are considered for this opportunity will have exhibited a keen desire to learn and enthusiasm for maximizing their educational opportunities, yet lack the resources to finance a Chadwick education. The amount of the scholarship will depend on the need documented by the scholar's family. Malone Scholars receive public recognition of this honor. To apply for this scholarship, please check the box on p. 2 of the parent application.

From 2000 through 2013, 50 independent secondary schools throughout the United States were selected for endowment by the Malone Family Foundation to provide scholarships to highly capable students. These partner schools were selected on the basis of their academic caliber; the quality of their staff; excellent accommodations for gifted and talented students; strong AP / IB and enrichment programs; attention to the individual student's needs, interests and talents; financial strength and stability; a commitment to financial aid; and an economically, culturally, ethnically, and socially diverse population. Through these endowments, Malone schools are empowered to perpetually fund scholarships for motivated top students in Grades 7 through 12 ("Malone Scholars") based on merit and financial need; and hundreds of talented Malone Scholars are educated each year by the foundation's nationwide network of excellent schools. In 2013, the 50th and final Malone Scholars School, The Stanford University Online High School, was selected to provide Malone scholarships. Chadwick is the only Malone School in southern California, with three in northern California.

The Malone Scholarship guidelines are:

- Candidates are new to Chadwick in Grades 7 – 12.
- Candidates must have U.S. citizenship.
- Candidates must be in the top 5% of their class according to standardized test scores and school records.
- Candidates must qualify to receive at least 30% of funding in need-based financial aid as determined by Chadwick's financial aid application process.

Special Scholarships Process

The admission committee will nominate from the applicant pool those students whose experiences and abilities suggest the greatest possibility for matching the intent of the scholarship. Students will indicate their interest in the MacFarlane Scholarship and/or the Malone Scholarship on the Chadwick application form and will submit their application for financial aid. The admission committee may choose to ask the nominated students for additional information and/or an additional interview. The named MacFarlane Leadership Scholar and Malone Scholar will receive public recognition of this honor. To apply for these scholarships please check the box on p. 2 of the parent application.

The MacFarlane and Malone Scholarships are among a number of substantial opportunities for need-based financial assistance available to Chadwick students. Chadwick School currently awards approximately \$4 million annually in financial aid to 18 percent of its 830 students in Grades K – 12. For more information about the Malone Scholarship, the MacFarlane Leadership Scholarship, or Chadwick's financial aid program, please contact the Office of Financial Aid at (310) 377-1543, ext. 4029 or visit admission.chadwickschool.org.
