March 16-30: South Korea; March 31- April 13: United States	CI Cultural Exchange	South Korea and USA	\$1500
Summer	RS Exchanges	Various	Airfare + food and incidentals (depends on the location of travel and the host school)

Limited Financial Aid is available for all global travel programs.

Hosting

Hosting an ASSIST, Round Square, or Chadwick International Student is a wonderful way for your entire family to learn about another culture without leaving your own home. Please contact Chadwick Parent Patrice Harmon at patricevh@me.com or Chadwick English Teacher and Exchange Coordinator Mark Pangilinan at mpangilinan@chadwickschool.org if you are interested!

Athletic Opportunities

The **CI ATHLETIC EXCHANGE** will occur from October 28th to November 5th and will focus on developing character, courage, and cultural competence through shared athletic experiences. As the culmination of this program is a soccer tournament, all students who currently play soccer at Chadwick or outside of school are eligible. Participants will be housed in school apartments and also shadow their peers in academic classes.

Estimated Cost: \$2,500

Study Programs

The **CI ACADEMIC EXCHANGE** will occur from November 2nd to the 25th, is available to all students in the 8th Grade, and is focused on developing critical and creative thinking and character through collaboration. Participants will spend these three weeks immersed in a full program of regular classes and activities on Chadwick School's campus in Songdo, South Korea. Students will be expected to participate fully in the school's academic and co-curricular programming, including completing all relevant projects and assignments. Participants will live with host families. The school will provide some cultural activities to supplement the academic nature of the exchange.

Estimated Cost: \$2,500

Cultural Competence Development

The **CI CULTURAL EXCHANGE** will occur from March 16th to April 13th; is available to all students in the 7th and 8th Grades; and will focus on developing courage and cultural competence through sustained, meaningful communication. Participants will be paired with peers from Chadwick International and spend the first two weeks of the exchange in South Korea. They will partake in many cultural learning experiences with their host families and spend time getting to know Korean traditions and history. They will then return home with their Chadwick International counterparts and spend two weeks exploring the culture and history of their hometown in California. Students will miss one week of school before Spring Break.

Estimated Cost: \$1,500 (flight plus cost of activities planned while hosting at the family's discretion)

Leadership Development

ROUND SQUARE EXCHANGES are opportunities for students to visit another school in the Round Square network for roughly 4-6 weeks, generally over the summer break. Each individual Round Square School sets its own terms and conditions for the exchange and provides its own requirements, information and advice. Students can check the Round Square website to research schools

(<https://www.roundsquare.org/our-schools/>) but should not contact the schools directly to arrange an exchange. After submitting this application, students and parents interested in these exchanges will meet individually with Mr. Detloff to work through this customized experience.

Estimated Cost: Airfare + food and incidentals (depends on the location of travel and the host school)
